

Faith Baptist Church D-Group Discussion Guide October 30, 2022

1. Define true worship. How is true worship related to the Great Commission?
2. Why should God be the only true object of our worship? Share with the group several other competing idols of worship in your life.
3. Pastor Matt referenced Galatians 2:20 in the sermon. Read the verse. How does focusing on Christ's work on the cross move you to greater worship? ...greater adoration? ...greater trust?
4. In what ways do we consistently worship in everyday life? How can this group encourage you to abide in worship?
