

Faith Baptist Church D-Group Discussion Guide October 9, 2022

1. Pastor Wes referenced James 4:1 in his sermon. What are the causes of disagreements according to that verse? How does pride play a role in this?
2. What comes to your mind when you hear the word submit/submission? Share how this looks different for a Christian as compared to the culture around.
3. What were the three relational structures presented in the passage and sermon? (Parent/child, master/slaves, husband/wife) How does leadership responsibility and mutual submission work in each of these roles?
4. Placing yourself in each of these relational structures, where is your biggest struggle in submitting? How does submitting to Christ first and foremost change this struggle?
