November 13, 2022

1. Pastor Matt defined “sanctification” and “edification”. What are the definitions? How are these two processes related?
2. Read Ephesians 4:22-24. Paul in this passage uses putting off and putting on clothes to illustrate growing in our new life in Jesus. What are some of the old grave clothes we need to put off? What are some of the resurrection clothes we need to put on? (Share some Scripture passages that speak to this topic.)
3. What are the three contributors that are necessary to become like Christ? In what ways have these contributors helped you to grow?
4. As part of the third contributor, how can this group build you up to become like Christ? Also, how can you build up others in this group?
