

Faith Baptist Church D-Group Discussion Guide November 6, 2022

1. In the sermon, Pastor Matt used the acrostic BASE. What does it stand for?
2. How are the words “mission” and “witness” related to our evangelistic purpose? What obstacles may keep us from fulfilling this purpose?
3. In the last paragraph of the blog, Pastor Matt writes, “The profession of our faith must coincide with the practice of our faith.” How can this group help you in the profession and practice of your faith?
4. To end your group time, take the opportunity to share your testimony. Share what your life was like before Christ, circumstances that led to your repentance and belief, and what your life with Christ is like now.

Extra credit: Take time this week to write out your testimony, then share it with someone. Next week, share the experience with the group.
