

Faith Baptist Church D-Group Discussion Guide January 15, 2023

1. Pastor Matt made this statement in the sermon, "God is at work in all things for His glory and your good." Does this provide you with confidence in God's sovereignty? How can you apply this statement to your current circumstances?

2. Read Ephesians 3:14-21. List all the spiritual resources that are provided to us as believers. How do these spiritual provisions help you in daily life?

3. Share a time when God has stirred to use you for His purposes. What did your surrender cost you? How did God equip you as you stepped forward in faith towards the call?

4. Are you gripped by the truth that you are an exile? This world is not your home. How should we then live? What adjustments do we need to make living in a culture of comfort and spiritual apathy?

Homework for Sunday: Read Ezra chapters 2 and 3.
