

Faith Baptist Church D-Group Discussion Guide January 8, 2023

1. Go to this link to watch the 10-minute overview of the Old Testament by Dr Miller: <https://youtu.be/fqfzEQvLyp0> Share with the group one or two things that you didn't know before.

2. From the 4000-year history of the Old Testament, what is the main theme that is woven throughout the texts? How does this reflect God's faithfulness to His people?

3. Share a time/experience where your expectations were not met by reality. How did that make you feel? How are you able to sympathize with the returning exiles and their unmet expectations? How were God's delivered promises better than Israel's expectations?

4. How does knowing that God always delivers on His promises give you confidence in living out your faith daily? How can your D-group consistently remind you that God is faithful?

Homework for Sunday: Read Ezra 1-2, and 2 Chronicles 36:11-21.
