

Faith Baptist Church D-Group Discussion Guide February 12, 2023

1. Who and what does God use to re-awaken His people and renew their efforts of rebuilding the Temple? Refer to Deuteronomy 6:4-9 for further commentary and consideration.

2. Read Psalm 19:7-11. List out all the different terms the psalmist uses to refer to God's Word. Then list out the effects God's Word has on us. How have you experienced these effects to be true in your own life? How is the power and presence of God established in His Word?

3. Pastor Matt stated, "The more you read the Bible, the more you'll love the Author!" In the closing paragraph of the blog, three suggestions are listed to improve our Bible intake. What are they and what additional suggestions do you have that have been helpful to your time in the Word?

4. Pastor Matt reminded us of the condition of our souls: we are simultaneously saints and sinners. In what ways do you experience this paradox in your everyday life? How do you reconcile the two and how does God's Word help? Read Psalm 1:1-3; 25:1-7 and 63:1-8 for further reflection.

Homework for Sunday: Read Ezra chapter 6.
