

## **Faith Baptist Church D-Group Discussion Guide**

### **February 26, 2023**

1. Read Matthew 6:25-33. Share one thing that stands out to you. Summarize this passage in your own words.

2. “Consider your ways” appears in verse 5 and 7. How often do you evaluate your priorities? Share your evaluative process with the group. What do you evaluate and what do you gain from this exercise?

3. Naturally, doing a regular spiritual evaluation should lead to alterations in our lives. Repentance leads to comfort. Obedience leads to blessing. Fear leads to empowerment. In what ways have you seen this unfold in your own life?

4. Pastor Matt ended the sermon with a quote from Augustine, “Christ is not valued at all, unless He is valued above all.” In what ways do you demonstrate Christ’s value in your life? How can the group help you value Christ as the Utmost?
