

Faith Baptist Church D-Group Discussion Guide
March 5, 2023

1. How have you seen God’s **promises** displayed in your life? Share one of God’s promises from Scripture that has impacted your life.

2. As you **ponder** God’s kindness and faithfulness, share an instance in which these traits have been demonstrated during a time that was overwhelming.

3. Life is hard. Taking our concerns to the Lord of hosts (Hag. 2:4-9) is an appropriate response. Have the men and women separate for **prayer**. Pair up, share your concerns, and pray for one another.

4. After prayer, consider how you can further **partner** with your brother or sister in Christ. Consider some of the biblical “one-anothers”. What are some ways you have put these into practice in the past? As a group, seek out a way you can foster community in our church.

Homework for Sunday: Read Haggai 2:10-19.
