

Faith Baptist Church D-Group Discussion Guide
April 23, 2023

1. Read Ezra 9:3-5. How did Ezra respond to the sin of God’s people? Surprisingly or unsurprisingly, who led in these idolatrous actions (see Ezra 9:1-2)? What can we learn about the nature of sin from this passage?

2. All sin is faithlessness. How did Pastor Matt further define sin? According to Pastor Matt, what are some of sin’s destructive effects on our lives?

3. We struggle with the sin of idolatry. We trade the timeless treasures for temporary trash. How do we stop this continuous cycle? Share a time when you realized you had made a poor trade.

4. We must have surgery on our heart to eradicate sin from our lives. Who actually performs this surgery according to Romans 2:29? How can this group encourage you to maintain good heart health?

Homework for Sunday: Read Zechariah 1:1-9.
