

## Faith Baptist Church D-Group Discussion Guide May 28, 2023

1. In Zechariah's third vision, the angel informed the man with the measuring line that Jerusalem has no walls but yet it is protected by a wall of fire (Zechariah 2:3-5). Where do we find similar descriptions in God's Word? Share a time when God's presence and protection were evident in your life? Did you realize this during or after the event?

2. What did God promise to do with His previously departed glory? How does He plan on dwelling with us again? Share how you feel about a holy God seeking to dwell with sinful man, particularly with you. How does this feeling encourage you to live out the gospel daily?

3. What does the scroll introduced in Zechariah 5:1-4 symbolize? The indictments written on the scroll wave above us like a gargantuan flag, proving our divided allegiance. Therefore, we become prime target for God's just and righteous judgment. While God executes justice, He is also gracious in providing its payment. Share how this is supported in Scripture.

4. Read 1 Corinthians 6:9-11. Who does the washing, sanctifying, and justifying on our behalf? As we shared in communion, explain how it correlates with this passage. How will this encourage you to live holy and reflect Christ daily? How can you encourage others in your D-group to reflect Christ this week?
