July 16, 2023

1. The final three chapters of Zechariah focus on the second coming of Jesus. How will Jesus' second coming be different than His first? Be as descriptive and biblically supportive as possible.

2. Read 2 Peter 3:3-4, 8-10. How have you observed cynicism toward Christian beliefs, in particular, regarding Christ's return? What might be the reasons for this cynicism?

3. According to God's promises Jesus' return and reign are sure. Sunday's text, mentions three characteristics of God's reign (see Zech 14:12-21). What are these characteristics and how can they give us hope in the times we live?

4. Read 1 Thessalonians 5:1-11, a passage that gives insight into the events surrounding Jesus' return. How can you encourage on another not only in remembering Jesus' first coming, but also in looking for His imminent return?

Homework for Sunday: Read Nehemiah chapter 1.
