

Faith Baptist Church D-Group Discussion Guide
July 23, 2023

1. What does Nehemiah’s name mean? How is this significant to the historical context of the events of the book?

2. Nehemiah 1:1-11 introduces the author as a person whose heart is closely aligned with the heart of God. Nehemiah cares for what God cares for. What are the two things at the center of God’s heart and how can you substantiate this from Scripture?

3. Nehemiah’s prayer is central to understanding this man’s motivation and ministry. What makes his prayer so powerful, and what aspects do you need to incorporate into your regular conversation with the Lord?

4. Read Titus 2:11-14. Since believers are “people for his own possession ... [expected to be] zealous for good works”, what might be some practical suggestions for putting this expectation into practice for the glory of God and the love of people?

Homework for Sunday: Read Nehemiah chapter 2.
