

Faith Baptist Church D-Group Discussion Guide
September 24, 2023

1. Read 2 Timothy 3:16-17. List the purposes of Scripture and its effect upon the Christian.

2. Matthew 4:4 states that man shall not live by bread alone but rather by God's Word. Why is spiritual sustenance through reading and studying the Bible more important than physical sustenance? In what ways have you experienced this in your life?

3. Read the passage that records the example of the Bereans in Acts 17:10-15. Can the Berean example occur where people have no access to God's Word? What are the dangers of not being able to be Berean-like?

4. How can we pray for the work of Bible translation worldwide? (Several suggestions in the blog post) Take some time as a group to do so.

Homework for Sunday: Read Nehemiah chapters 11 & 12.
