

Faith Baptist Church D-Group Discussion Guide
October 15, 2023

- 1. In Malachi 1:2, God declares His love for the nation of Israel as demonstrated in their past, in their present, and promised for their future. This declaration of love also extends to us. How do you know for certain that God has, does, and will love you? What causes us to question His love?

- 2. We are to respond to God’s astounding love with gratitude. What are some ways we demonstrate this gratitude? In what ways can we champion God’s love to sinners?

- 3. To whom does God assign His love? Read Romans 5:6-8. Paraphrase that passage in your own words and share. What other scriptures support this concept?

- 1. J.I. Packer said “To know God’s love is indeed heaven on earth.” What do you think Packer means by that? Discuss how we can live this out as a church family and experience the answer to Paul’s prayer for the Ephesian church (Eph 3:16-21)?

Homework for Sunday: Read Malachi 1:6-2:16.
