

Faith Baptist Church D-Group Discussion Guide
October 29, 2023

1. What kind of human relationship was used to demonstrate the interaction between God and His people in Malachi? In this week’s passage, God calls their loyalty into question. What were the other issues God previously addressed with His people?

2. In Malachi 2, God’s people forgot their spiritual heritage, rejected their sanctity, and dumped their wives. What does this “treachery” look like in today’s culture, church, and family? What are some consequences of these failings?

3. Malachi 3:1-5 details God’s promised plan for justice. Share some of the details (the 4 C-statements). What other scriptures confirm God’s plan?

4. Read Romans 8:31-38. According to this passage, who does the justifying? What are the benefits to those who have been justified through Christ? How does knowing this, prompt you to share the gospel?

Homework for Sunday: Read Malachi 3:7-12.
