

Faith Baptist Church D-Group Discussion Guide
October 8, 2023

1. According to Neh 13, into which three aspects of life did Israel invite sin? Which of these can you relate to the most? Why?

2. Instead of Nehemiah's reforms, what was Israel's true need (see Eze 36:25-28)? According to the passage, who provides this remedy?

3. We have the same need as Israel. Read John 3:5-9 and 2 Cor 5:14-15, 17. How do we obtain this provision and what are its effects? Share other Scripture passages that correspond with this transformational work.

4. Change is possible by God's grace! Share ways you plan to tell someone about how God changed your life. How can someone in the group help you do this?

Homework for Sunday: Read Malachi 1:1-5.
