

Faith Baptist Church D-Group Discussion Guide
November 5, 2023

1. In the Old Testament, what means did God use to examine the spiritual condition of His people? Does He still use the same means today? If so, support your answer through scripture?

2. Read Luke 18:18-30. What is “the one thing” the rich young ruler still lacked? Share some ways that you identify with the rich young ruler. How does God’s promise in verses 29-30 change the way you view earthly possessions?

3. Malachi 3:10-12 makes clear that God’s blessings lead to our joy and prove God’s faithfulness. How has God blessed you? Having received His blessings, in what ways can you share those blessings with others?

4. Share some practical ways you demonstrate that Jesus is your priceless treasure and greatest blessing. How can you encourage each other to live this way? This week (or in the near future), what can your group do to bless someone else? How can you do these together?

Homework: Read Matthew 9:34-38, Philippians 4, Matthew 28 in preparation for the GO Missions Conference on Nov 11 and 12.
