

Faith Baptist Church D-Group Discussion Guide March 17, 2024

1. Read Galatians 2:20, Colossians 3:1-3 & 3:12-17, 1 Peter 2:9-12. What do these verses say about being a Christian? What is God's ongoing mission for Christians? What would your life look like if you fully embraced God's mission as laid out in these passages?

2. Prior to becoming a Christ-follower, what false narratives did you believe? Share some Scripture that helped shape your Christian worldview as a young believer. How does God's Word continue to shape your worldview?

3. Do you feel confident in sharing the gospel? Sunday's speaker shared the "God, Man, Christ, Response" evangelistic framework for sharing the gospel. What other evangelistic frameworks are you familiar with? How do these frameworks use Scripture to present the gospel? Which one are you most comfortable using?

4. Do you think your salvation story is worth sharing? Why or why not? How are you being biblically transformed daily?

5. Our mission field is primarily found in the places we know best among the people we know best. Share the name of the person you identified during the MyCircle Training and how you know the person. List other group members' person on your prayer list and pray alongside them.

Homework for Sunday: Read Luke 19:28-44
