

Faith Baptist Church D-Group Discussion Guide
April 21, 2024

1. Under what kind of circumstances did Jesus call Levi? How did the Pharisees respond to the event at Levi's house according to Luke 5:29-32? What are some reasons our response should be different?

2. How were Jesus' disciples different from the disciples of John? Christians should be marked by life and joy. Why should these be obvious character traits? What robs us of joy?

3. What was the purpose of the Law? What does Galatians 3:24 tell us about the relationship between Christ and the Law? Read Mark 2:27. Jesus is rest and provides rest. How do you rest in Christ?

4. We were encouraged to point our neighbors to Jesus, using both our lives and our words. Share some ways we can put this into daily practice. How can the group do this together?

Homework for Sunday: Read Luke 6:12-49
