

Faith Baptist Church D-Group Discussion Guide
April 28, 2024

1. Based on the Old and New Testament terms, what is the meaning of the word “blessing”? How is this different from how our culture defines blessings?

2. What is the natural response to our enemies? Why is loving our enemies so difficult? How is the love of a Christian superior than an unbeliever? Read 1 John 3:18. Share an example of how you’ve loved someone in deed and in truth.

3. What were the three instructions about judging others found in Luke 6:37-45? How can you improve in being generous when judging others? In what ways do we judge ourselves?

4. Blessing comes from obeying Jesus only! How do we live like Jesus as our Master? How did you start to live differently once you realized this?
