

Faith Baptist Church D-Group Discussion Guide
May 12, 2024

1. In Luke 8:1-3, what kind of past do the women have? What marks your past?
How has Jesus changed it and given you a new now?

2. Mary, Joanna, and Susanna put their reputation on the line with their public and financial support of Jesus. Share some ways that you are an active contributor in the mission of making disciples? How have your efforts been fruitful?

3. Promises are powerful; especially when Jesus gives them. Read John 6:37, Matt 11:28, John 14:16, Matt 4:19. How do these promises change the way you view your future? In what ways do you live differently in light of these promises?

4. We were encouraged to consider those who have faithfully followed and served before us. Share a person who has been an example of a Jesus-follower for you. How has this person encouraged you through their “sincere faith” (2 Tim 1:5)? Who is looking to you as an example currently?

Homework for Sunday: Read Luke 8:4-21
